

Window Rainbow

- HELP** - Cut two pieces of wax paper to 9" X 10" and tape one to a hard surface.
- CHILD** - Color wax piece.
- HELP** - Put the other piece of wax paper on top of the colored one and iron both sides, don't use steam.
- Cut out the rainbow pattern below, trace onto a piece of construction paper and cut out the rainbow shape.
 - Tape the wax paper to the back of the construction paper and tape onto a window to display.
