

# Build Mr. Bones

## Directions

- Cut out the pieces, print on cardstock to make stronger.
- Attach the matching number pieces together by tying loosely with string, or use small brads.
- Tell your child you have brought a special friend, who has bones just like he does. Let your child move the skeleton around.
- Move Like Mr. Bones game: Move the skeleton and have your child copy the movement. Let your child move the skeleton and you copy the movements.
