

Fishing Bag

Directions

- Print the bag on cardstock and let your child color and decorate the bag.
- Help your child write his name on the dashed line.
- Cut out the pieces, then glue together on the sides, leaving the top open to put the fish in.
- To make a strap, punch holes on the two sides of the bag. Pull a string or ribbon through the holes and tie a knot at the ends.

Materials

cardstock
glue
crayons
yarn or ribbon
hole punch
