

Flower "Thank You" Card

Directions

- Optional: Print card on colored cardstock or patterned paper.
- Help your child write his name and the name of the person the card is for.
- Let your child color the card. Try using crayons, colored pencils, glitter, paint, stickers, or glue pictures on card.
- Cut out the card on the dashed line and fold on the solid line.
- Ask your child what he wants to thank the person for and write it in the card.
- Optional: help your child pick some flowers to give with the card.
