

Kindergarten Contact Information

Directions

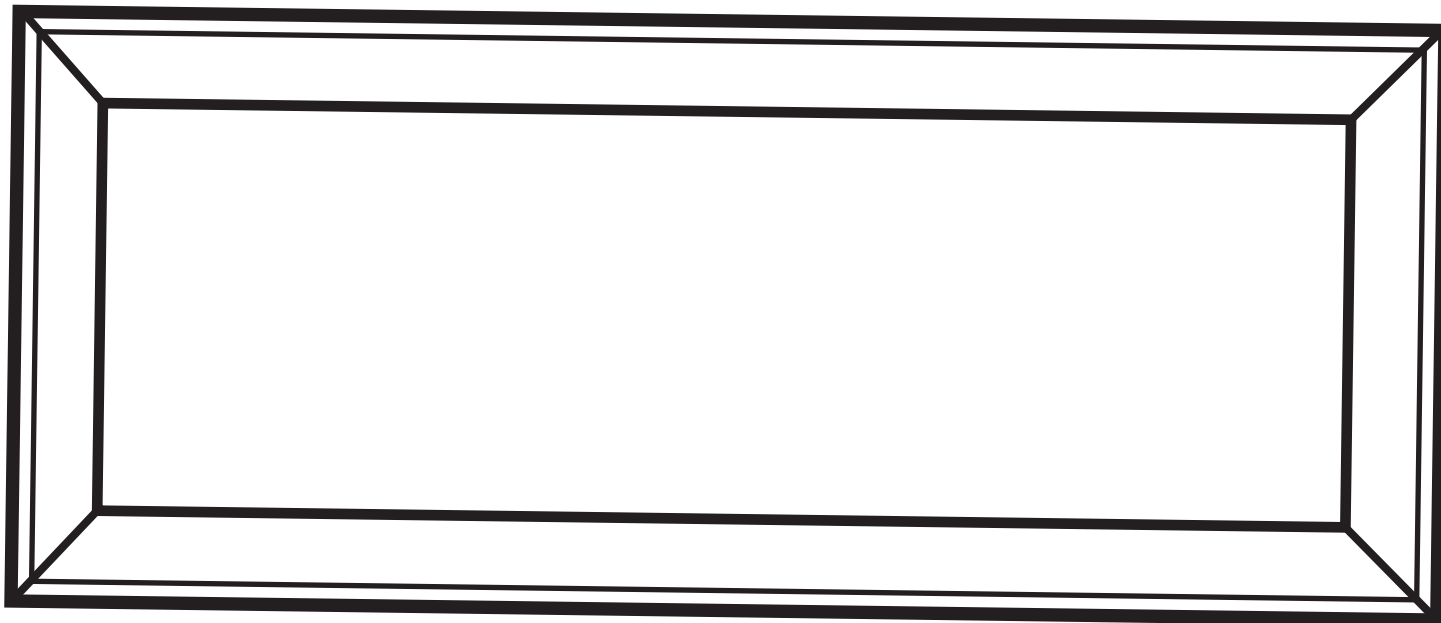

- Explain to your child that when he goes to kindergarten, he will need to know certain information about himself, in case of an emergency.
- Let your child color the phone, and the house. In the picture frame, color himself with his parents or guardians. Help him write his phone number, address, and names of family members under the pictures.
- Cut out the pictures on the dashed lines and put them somewhere your child can look at them often.
