 **WORKSHEET: Flash Cards: Uppercase Letters**

 **WORKSHEET: Journal Entry: Letter G**

 **ACTIVITY: Grandparents Show and Tell**

Have the children bring pictures of their grandparents. Give each child a turn to talk about their grandparents and the things they like to do with them.

3 Math

 **WORKSHEET: Flash Cards: 1-10**

 **WORKSHEET: Green Grapes Golfing**

4 Music

 **ACTIVITY: Mini Guitars**

Take a toilet paper roll, cut two slices on each side of the top. Slide a rubber band in the two slices and pull to the bottom to make it tight. Let the children color their guitar. Then play different types of guitar music and let them play along.

5 Science

 **ACTIVITY: Garbage Collectors**

Explain to the children that the Earth is a beautiful place we need to keep clean. This means we need to throw things in the garbage and not just anywhere. Crumple up some pieces of different colored paper and throw it over the floor. Then have a piece of paper to match each color lined up on the floor. Have the children pick up the colored pieces and put them on the correct color paper. See how fast they can do it.
