 **WORKSHEET: Ice Cream Scoops Letters (F-I)**

3 Math

 **WORKSHEET: Flash Cards: 1-10**

 **WORKSHEET: Iguana Inches**

4 Music

 **WORKSHEET: Hawaiian Lei Necklace**

 **ACTIVITY: Island Dance Party**

Have the children put on their necklaces. Explain what an island is and that many people live on islands. Play some island music and let them dance. Let them eat the tropical fruit.

5 Science

 **ACTIVITY: Ice Racing**

Explain that ice cubes are made when water gets so cold it freezes. Hot air will melt the ice. Place ice cubes in a cookie sheet. With markers let each child color an ice cube. With a blow dryer, let them take turns blowing them around.

6 Art

 **ACTIVITY: Marshmallow Igloos**

Give each child a paper plate with a circle drawn on it and a pile of marshmallows. Help them stack the marshmallows together into an igloo, using frosting to hold the marshmallows together.
