- Scissors
- Print Worksheets
- Glue
- Popsicle Sticks
- Items to Experiment With

1 Welcome: Play

2 Language

 **WORKSHEET:** Flash Cards: Uppercase Letters

 **WORKSHEET:** Journal Entry: Letter Q

 **ACTIVITY:** Quack Like a Duck

Explain to the children that they are going to be ducks. Choose one child to be in charge of saying, "duck". Have the children walk around quacking and flapping their wings, until the child in charge says, "duck," then all the children duck down to the ground until the child starts quacking again. Let them take turns being in charge.

3 Math

 **WORKSHEET:** Flash Cards: Shapes

 **WORKSHEET:** Queen's Crown Shapes

4 Music

 **WORKSHEET:** Quiet Loud Singer

5 Science

 **ACTIVITY:** Scientist Questions

Explain to the children that being a scientist means to ask questions and to try to find answers. Have a variety of items for the children to experiment with; magnets, balloons, flashlights, and anything else you can think of. Have the children think of questions about the items and then find the answers to their questions.

6 Art

 **WORKSHEET:** Weavers: Grandma's Quilt
