 **ACTIVITY: Snowball Marshmallow Taffy**

Wash the children's hands. Tell them that they get to make snowball taffy and give each child a large marshmallow. To make the taffy, pull the marshmallow apart, then put it back together. Do that over and over.

 **ACTIVITY: Snowball Storm**

Put a pile of cotton balls on the floor and let the children have fun throwing them around. When finished, see how fast they can clean up the cotton balls.
