1 Welcome: Play

2 Language

ACTIVITY: Kindergarten Discussion

Explain to the children that they are going to be starting kindergarten very soon. Talk about what they will do and learn at school. Talk about any fears and help them feel ready to start.

WORKSHEET: Kindergarten Contact Information

WORKSHEET: Hide and Seek Class Pets

3 Math

WORKSHEET: Kindergarten Supplies Shapes

ACTIVITY: Sorting School Supplies

Place a variety of school supplies on the table. Have the children compare the items sizes, colors and shapes, then make groups of similar items.

WORKSHEET: Time for Recess Counting Game

4 Music

ACTIVITY: Preschool Concert

Tell the children they get to put on a concert. Have them choose their favorite songs and poems. Line up some stuffed animals as the audience. Then have the children perform. For fun, let them dress up and record the concert. While they watch their performance, let them eat some popcorn.

5 Science

ACTIVITY: Questions and Research

Explain that scientists ask questions and then work to find the answers. Have the children think of questions, then find the answers.
