

# Growing Worms Counting

- HELP** - Color and cut out pieces on dashed lines. Cut out the two slits on the grass piece.  
- Slide the worm pieces down the slits until the heads are just showing.  
- Place a raindrop piece on each of the raindrop pictures on the grass piece.
- CHILD** - Pull the worms up until you get to the matching number.  
- Slide the worms back down and choose new raindrop numbers.
