

# Paper Airplane Targets

**HELP** - Color a piece of paper.

- Fold the airplane.
- Set up the targets on the floor

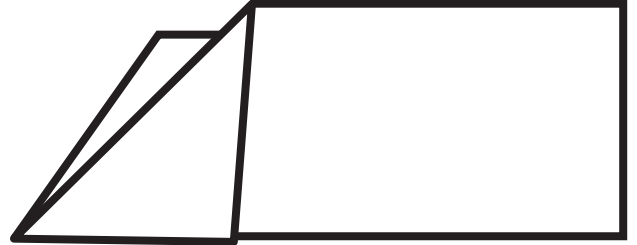

**CHILD** - Fly the airplane and see what target it lands on.

## 1

Fold paper in half, the long way.

## 2

Fold down the left corner, making a 90 degree angle to the bottom of the plane. Do the same on the other side, to the right corner.

## 3

Fold down the same corner, so that it lines up with the bottom. Do the same on the other side.

## 4

Fold down the same corner again, so that top of the fold and the bottom of the fold line up. Do the same on the other side.

## 5

Fold up the two flaps and it is ready to fly.
