

Piano Lesson: Rhythm

Directions

- Color and cut out the note pictures.
- Have your child clap his hands and explain that each clap is called a beat and each note has a different number or beats. Show the quarter note and it's one clap, half note two claps and whole note four claps.
- Let your child put the notes in any order and help them clap out the rhythm they made.

1 	1 	1 	1 
2 	2 	2 	2 
4 	4 	4 	4
