

Piano Lesson: Twinkle Twinkle Little Star

Directions

- Let your child color the key pieces and cut out. Tape or place the key pieces on the correct keys on the piano.
- At first, read the notes to your child, as he finds them on the piano. Then let him read the notes and play the song. You can then clap the rhythm while he plays or try singing along. Make sure to let him go at his own pace, keeping it fun.
